

# Road Update

Week ending 11 February

## Tesco Vouchers

From March 1 Tesco will again be giving vouchers in exchange for money spent in their stores and petrol stations. This year schools can exchange their vouchers for a wider range of items, not just computer equipment as in previous years. We will be collecting the vouchers and a box will be outside the main office from March 1.

## Family Bingo Night

We are hoping that as many families as possible will support our Family Bingo Night this Friday, 11 February. The cost is £5 per adult (this includes the bingo cards) and children are free. Please contact the school office to purchase your bingo cards or pay on the door. Many thanks.

## Primary Family SEAL

Family Social and Emotional Aspects of Learning (SEAL) is designed to help parents and carers support their children in developing the social, emotional and behavioural skills needed to be successful at school.

A free training session for Primary Family SEAL will be taking place on Tuesday, 22 March 2011 organised by Northamptonshire Healthy Schools.

The session will run from 9.00 a.m - 12.15 p.m and will be held at Danetre Hospital, London Road, Daventry, Northants.

If you would like to book a place, please contact Pauline Faulkner on 01327 708168 or e-mail

[Pauline.faulkner@northants.nhs.uk](mailto:Pauline.faulkner@northants.nhs.uk)

## Creative Curriculum

Our children are continuing to enjoy the creative curriculum and the exciting events that are planned to support it. KS1 children are busy making houses for the 'Great Fire of London' which will take place next week! Children in KS2 took part in a very enjoyable visit to the National Space Centre this week in support of their topic on Space. Children in Class R have been visited by a policeman and are busy solving crimes and preparing reports! The topics have enthused the children and resulted in wonderful work being produced.

## Postal Sorting Office

As part of our links with the world of work, Class 3 / 4 visited the Sorting Office in Northampton last week and spent a very enjoyable morning learning about what happens to letters and parcels after they are posted and the different jobs that people perform. The children hope to return the compliment and invite people from the Sorting Office to our school.

## Road Primary Healthy Schools Survey

Parents and carers are invited to complete an online survey as part of our Healthy Schools Enhancement Model. Using the data provided in the survey, we aim to improve the health and well-being of our children which is a government requirement. There are twelve questions to complete which should take approximately ten minutes.

Please follow the link on our website [www.roadeprimary.co.uk](http://www.roadeprimary.co.uk) or alternatively visit [www.healthyschoolsurvey.co.uk](http://www.healthyschoolsurvey.co.uk).
