

# Road Update

Week ending 21 October

## Hot Meals

The provision of hot meals for the children is proving very successful with over a third of the children having a hot dinner each day. To help the smooth running of the ordering process, could we please ask parents and carers to keep a record of the days on which your child will be having a hot meal and also whether it is a vegetarian or meat choice. We have had a number of occasions when children were expecting a meal, or a particular choice, that did not match with Nourish's records. It would also be really helpful if the date of the order week could be put on the envelope when ordering meals. Many thanks.

## Reading List

To help families choose suitable books for their children, we have put a link on our website to a list of recommended books for different age groups. The link can be found on the Pupil's Page.

## Home-made Cake Sale

To help raise funds, FORPS will be selling home-made cakes after school on Friday. If you are able to contribute to this, please send cakes into school on the Friday morning. Many thanks.

## Parking

Could we please ask that parents and carers do not use the school car park when they are dropping children off in the morning, or picking up in the afternoon. The car park is very small and congested. Many thanks. Disabled parents and carers are very welcome to use the disabled parking bay, however.

## Photographs

There has been an incident this term when an adult was seen taking photographs of our school. The lady in question was spoken to and has not returned. If any parents or carer sees someone taking photographs in this way, please let us know. Many thanks.

## Cold weather

Now that the weather is getting colder we would like to remind parents of the procedures in the event of snow. As in previous years, we will endeavour to keep the school open but this may not always be possible. Information about whether the school is open or not can be gained in the following two ways:

- By accessing the School Closure webpage:  
[www.northamptonshire.gov.uk/ismyschoolclosed](http://www.northamptonshire.gov.uk/ismyschoolclosed)
- By listening to BBC Radio Northampton - frequency 104.2 & 103.6FM; or Heart fm – frequency 96.6

If you have not heard the radio broadcast, or been able to access the internet, and arrive at school with your child, please check the school is open before leaving them.

If the school is open during snow we will allow children to play outside at break time and lunchtime as long as they have a change of footwear and clothing (ie socks, tights, trousers etc) in case they get wet. Those children that do not wish to play in the snow may remain indoors.

## Half Term

Term 1 ends for the children this Friday, 21 October. Monday, 31 October, is a teacher training day and the school will therefore re-open for the children on Tuesday, 1 November.
