

Road Update

Week ending 27 January

Sure Start

Sure Start operates at the Children's Centre at Elizabeth Woodville School and runs a number of activities for children under five and their parents. Please pop into the centre, or look at the timetable on our noticeboard, for details of these activities.

Parking

We have received a number of complaints from local residents about parking outside the school. In some cases cars have been parked across driveways, blocking access for the people living in the property. Could we please ask that parents and carers avoid parking in the chicane outside school and, in particular, are mindful of our neighbours. Many thanks.

Hot Meals

If parents and carers would like their child to have hot meals in the week beginning 20 February (straight after half term), please ensure the order is in school by 9.00 on Monday, 6 February. Many thanks.

FORPS

FORPS are busy planning events for the rest of the year to raise funds for the school. This term they are holding a Film Night for the children and a Family Bingo Night. They would be really pleased for any support whether it is attending planning meetings, helping at events or perhaps even shopping! Please let the school know if you are able to offer your services in any way.

Equality Duty

Schools are required to draw up an Equality Policy and an action plan showing what they are planning to do to promote equal opportunities for all members of their community. Together these are known as an 'Equality Duty'. Our Equality Duty has been drawn up and can be found on the Parent Page of our website under 'Policies'.

Play Station Games

A number of children have been telling us that they play games on their Play Station that are designed for much older children or adults. Some of these are extremely violent in nature and are being played by children as young as five. This has resulted in a number of incidents in the playground where children have re-enacted violent scenes from the games. We would therefore be grateful if parents could support us by reducing the children's exposure to such material. Many thanks.
