

Road Update

Week ending 4 March

Sing With Us

Enthusiastic singers in Years 4, 5 and 6 are busy preparing for the World War II Sing With Us Concert at Spinney Hill Theatre on Monday, 14 March. Tickets should be purchased in advance of the concert from the website

www.rhythmicallyspeaking.com

'Strictly' Ballroom Dancing

Children in Class 3/4 and Class 5/6 have been receiving ballroom dancing lessons each week and twenty children from those classes will be taking part in an inter-school competition at Roade School and Sports College this coming Saturday. We wish them lots of luck.

Music Lessons

We currently have peripatetic music lessons available for keyboards and strings (violin or cello) for children in Years 3 - 6. If your child is interested in learning one of these instruments please contact the school office for an application form.

Woodrow

Children in Years 4 and 5 took part in a very enjoyable residential visit at Woodrow High House this week. A good time was had by all and we would like to thank Mrs Newman, Miss Mehta, Mrs Willey and Mr Hartwright for giving up their time to accompany the children.

Start of the school day

It has come to our notice that a number of children are being dropped off at school very early in the mornings. We would like to remind parents and carers that we are unable to supervise children until 8.45 am (except for those attending HotShots or RM Maths Clubs). We would therefore be grateful if children do not arrive at school before this time. Many thanks.

Footwear

In the cold weather we understand the need for children to wear boots to school. If they do so, however, they need to bring a change of footwear for inside the building. These can be plimsolls if necessary. Please see our school prospectus for further information on school uniform. Many thanks.

Willow Classroom

Our willow classroom was erected on the 18 February and will be an exciting space for classes to use in lesson times and for children to play in during breaks and lunchtimes. We would like to thank FORPS for raising the money to purchase the classroom.

Medicines

If your child has been prescribed medicine that needs to be taken during the school day please contact the school for a Medical Administration Record form. Regulations state that these forms should be completed by the parent or carer before the school administers medicines. Many thanks.

Mad Science

On Thursday, 24 March at 9.45 Mad Science will be conducting a science demonstration at Roade Primary School. They will then be offering a Science Club in the Summer Term. Parents and carers are welcome to attend the demonstration which should last about half an hour.
