Aim	Outcome
Standards in year 6	Were broadly in line with national. Additional PP children joined us throughout the year and made good progress.
Access to the curriculum	This area was seen as a strength as all children regardless of background were able to participate in all activities including residential and trips and visits.
Support of SMEH	ELSA staff are trained and are delivering sessions to targeted pupils across the school-many of whom are PP pupils.
Attendance and family liaison	Increase admin hours to relieve the burden on SBM.
