At the end of the day we will be waiting to collect your child returning to my home for fun play and a hot snack all in a warm, friendly, happy homely environment.

We are very flexible with drop off and collection times and Breakfast is available if required. We are well established and well known by all the Teachers at Roade Primary School, already doing daily drop off and collections since 2010. We have limited places available so please call to arrange a visit where you and your child will be made to feel most welcome! School Holiday care available all through the year too!!

I am very lucky to have some amazing reviews which can all be read in full upon request. Below is just a small snippet of a few.
