

Year 3 Summer Homework Menu

History

Draw an illustration of a Roman soldier. What armour would they wear and what weapons might they have carried? What questions would you like to ask a Roman soldier who has come to Britain?

Art and Design

We are drawing inspiration from nature. Can you use plant materials to create your own picture?

Science

How many different flowering plants can you find near where you live? Can you find out what their names are?

Design and Technology

Make a structure that can stand up on its own. You could use lego, natural materials like sticks or recycled materials (boxes, bottles, etc).

Grow your own fruit or vegetables! (Strawberries, cucumbers and tomatoes are quite easy to look after.)

Geography

Choose a European city. Find out all about it and decide on an interesting way to share what you have found out. (A poster, a presentation, a booklet or leaflet...)

History / Art and Design

Make your own Roman mosaic using cut paper, pasta shapes, seeds, etc.

Geography
Design an information poster about Mary Anning, the famous fossil collector. Include images and interesting facts.

Science

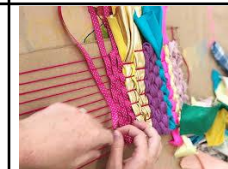

Can you make your own sun dial? You could use a stick and record where the shadow will be at different times of day.

PSHE

Think of a way of showing and celebrating your greatest achievements this year. What can you do now that you couldn't before?

Music

Write the words for a marching song that the Romans could sing while they marched.

Art and Design

Create a weaving. You could use a cardboard or wooden frame (loom), and anything long and flexible to weave with.
