

# Year 5 Summer Homework Menu

<p><u>History</u> Read a Greek myth and create a comic strip to retell the story.</p>	<p><u>Art and Design</u> Gather magazines and newspapers to create a collage of one of the natural wonders of the world.</p>	<p><u>Science</u> Find out everything you can about weeds. Weeds are weird, why do we not want them on our garden? Go on a walk and see how many weeds you can identify after your research.</p>	<p><u>Design and Technology</u> Collect toilet rolls and cereal boxes and create the Great Greek Parthenon.</p>
<p><u>French</u> Take a photo of your bedroom and describe it in French. Eg: Le lit est grand. OR Draw a family portrait and introduce your family in French. Eg: C'est ma soeur. Elle est sept ans.</p>	<p><u>Geography</u> What are the seven wonders of the world? Find out why they are so wonderful and create a poster to share what you've found out.</p>	<p><u>History</u> The Olympics are in Paris this year. Long ago they were started in Greece to entertain the Greek Gods. What used to happen in the ancient Olympics? Do some research on BBC Bitesize to find out more.</p>	<p><u>Geography</u> Choose an animal to research. Find out their characteristics, habitat and diet. Challenge yourself to work out the animal's place in the food chain/web.</p>
<p><u>Religious Education</u> Sikhs give 10% of their earnings to charity. Can you give 10 minutes of your time to help someone in need? This could be at home or in the community.</p>	<p><u>Computing</u> Using Paint or Google Drawings, try and make a picture. This could be a self portrait, your favourite animal or an insect – the possibilities are endless!</p>	<p><u>PE</u> Watch some cricket or gymnastics on TV. Think about the skills they need to have practiced to become great. How are they similar to what you do in your PE lessons?</p>	<p><u>Maths</u> Use a protractor and a ruler to draw shapes. Think about the lengths of the sides and the measurement of the angles.</p>
